

# Toddler Lesson Plan

**Activity:** Sand

( Zoe aged 2 1/2 yrs)

<b>Week 1</b>	<b>Comments/observations:</b> <i>Zoe starts digging in the sand using the small spade. Then moves the sand onto the floor using the spade. Then she uses her hand to move the sand around.</i>
<b>Week 2</b>	<b>Comments/Observations:</b> <i>now added buckets and spades. Zoe starts filling bucket with sand and laughing as some goes on the floor. Zoe then uses her fingers to fill the bucket. Then grabs the spade as sand goes everywhere.</i>
<b>Week 3</b>	<b>Comments/Observations:</b> <i>Now added sand moulds and rake. Zoe begins to gather the sand then uses a sand mould. Using this and the spade to fill 2 buckets, taking it in turns.</i>
<b>Week 4</b>	<b>Comments/Observations:</b> <i>Zoe uses the small rake to move the sand to one area. Zoe then continues to fill the various buckets big and small.</i>

## Summary:

*Zoe clearly enjoys sand play and finds using the sand in lots of interesting ways. Zoe especially found filling the buckets fun and really liked feeling the texture of the sand. Zoe showed lots of delight when filling the sand moulds and making shapes. Next time to add wet sand and more sand toys.*
