

Toddler Lesson plan

Activity: Dance with materials Joshua 3 1/2 Yrs

Week 1	Comments/Observations: Need long pieces of fabric. Joshua listens to the music then begins to move side to side. Now waving his piece of fabric over his head. Then lets go and laughs as it falls to the floor in a heap.
Week 2	Comments/Observations: Add action songs. Joshua listens to the music and song. Then he claps his hands then moves up and down as the song says. He now sways side to side following the song instructions.
Week 3	Comments/Observations: Now using sheer fabrics. The music and song begins. Joshua then holds the sheer fabric swaying with it and then looking through the fabric. He then then wraps the fabric around his waist while laughing.
Week 4	Comments/Observations: Joshua holds the fabric then lets it fall as the music begins. He runs around waving the fabric behind him, Today not listening to the action song.

Summary:

Joshua found the action songs enjoyable but needed lots of encouragement. He liked waving the fabric about and running with it behind him. Joshua liked wrapping the fabric around himself and other things. Next time I will add clothes to dress up in while following the action songs.
