

# Toddler Lesson plan

**Activity:** Trikes and scooters      *Chloe 2 1/2 Yrs*

<b>Week 1</b>	<b>Comments/Observations:</b> <i>Chloe sits on the trike using her feet to push her along. Chloe smiles and then says "push".</i>
<b>Week 2</b>	<b>Comments/Observations:</b> <i>Chloe runs towards the scooter, moving the scooter along. Chloe then steps onto it then steps off. Then sits on it smiling.</i>
<b>Week 3</b>	<b>Comments/Observations:</b> <i>Chloe climbs onto the trike. Then places her feet onto the pedals. Then she presses the pedals a little and moves slowly.</i>
<b>Week 4</b>	<b>Comments/Observations:</b> <i>Chloe tries to step with both feet onto the scooter but tips off. She then tries again and falls over.</i>

## **Summary:**

*Chloe enjoyed getting onto the trike and clearly found using her feet to pedal lots of fun. She still needed a push to get going sometimes. She has not yet mastered the scooter but it will not be long.*
