

# Toddler Lesson plan

**Activity:** Trikes and scooters      Joshua 3 1/2 Yrs

<b>Week 1</b>	<b>Comments/Observations:</b> Joshua climbs onto the trike and then places his feet onto the pedals. Then he rocks the trike backwards and forwards.
<b>Week 2</b>	<b>Comments/Observations:</b> Joshua moves around the playground up and then down saying "going really fast".
<b>Week 3</b>	<b>Comments/Observations:</b> Placing cones Joshua moves up to the cones then one down. Joshua smiles then carries on pedalling up to the other cones.
<b>Week 4</b>	<b>Comments/Observations:</b> Joshua positions himself onto the scooter holding the handles and now using his right leg to move himself along.

## Summary:

Joshua is excellent at using the trike and is starting to be confident when moving around obstacles. Joshua was also very confident on the scooter using alternate feet to push the scooter along.
