

Pre School Lesson Plan

| | |
|---|--|
| Activity: <i>Water play</i> <i>Chloe aged 2 1/2 years</i> | |
| Week 1 | Comments/observations: <i>Using spoons and cups Chloe is excited as the water is in the container. quickly grabbing the spoon she begins to move this in and out of the water. Chloe then fills and empties the cup. While laughing as the water goes everywhere.</i> |
| Week 2 | Comments/Observations: <i>Spoons, cups and bottles Chloe starts to use the spoon. Then slowly starts putting water into the bottle. Chloe then presses the bottle into the water and laughs as the bottle springs back to the top of the water. She repeats this several times.</i> |
| Week 3 | Comments/Observations: <i>Add water wheel Chloe says "look" as she uses the cup to gather the water then pouring this over the water wheel. Chloe clasps her hands in delight as the water runs through the wheel.</i> |
| Week 4 | Comments/Observations: <i>Add Larger jugs Chloe begins filling the jug using the cup. Then empties the jug back into the water tray. Chloe smiles and says "making tea"</i> |

Summary:

Chloe loved the water play, playing with the various equipment in a variety of ways. Chloe found filling of great interest, using the spoons to fill bottles. Chloe used lots of imagination especially using the cups for tea, imitating imitating what she sees at home.
