

Toddler lesson plan 4 (Water)

This lesson plan can also cover things such as sand play, sand and water play, making sand castles

Preparation -

Large container which is accessible for your child. Plastic aprons and mops to clear up any spills.

IMPORTANT Remember supervision at ALL times as toddlers can drown in an inch of water.

Equipment - Spoons, cups, small containers, water wheels, plastic bottles (without lids), shells, plastic jugs, bubbles.

Learning -

- Good hand eye co-ordination
- Extend vocabulary, learning new words, pouring and filling.
- Using senses, asking why and how things happen.
- Interested in new things
- Lots of imaginative play
